

With RecyclePak® recycling lamps and batteries has never been easier.

Simply fill, seal and ship!

How It Works:

48 Hour Pickup

Assembly Required

Compliance with Confidence®

Large quantity recycling made easy

RECYCLEPAK® is perfect for large quantities of straight linear fluorescent and high intensity discharge lamps.

Our NEW Bulk Lamp Recycling Kit is easy to use, prepaid and is perfect for:

- Spot maintenance
- Re-lamp
- Retrofit projects

With RECYCLEPAK® you can be sure to minimize storage space, expenses and time needed to complete projects. Each kit includes the container, pallet, tape, return shipping, recycling and documentation. Simply fill, seal and ship--it's that easy.

Benefits of the program

- One container to manage
- 48-hour pickup
- One price includes everything you need
- Easy to understand instructions
- Sets up in less than 20 minutes
- Compliance with regulations
- Completely turn-key
- No hidden fees

Order today and see how easy recycling large quantities of lamps really is!

Call for more information today! (717) 431-8869

Waste Associates 222 S. Market St., Suite 102A Elizabethtown, PA 17022

With RecyclePak® recycling lamps and batteries has never been easier.

Simply fill, seal and ship!
