Visit our web site at www.prepaidrecycling.com for details on each product.

Introducing RECYCLEPAK...Prepaid Recycling for lighting, electronic and dental waste that just makes sense.

RECYCLEPAK provides a safe, convenient and cost-effective way to ensure small quantities of fluorescent lamps, batteries, ballasts, mercury containing thermostats, devices and dental amalgam are properly recycled in accordance with federal, state and local disposal regulations. One price includes everything you need to begin recycling- packaging, freight to and from your facility, processing and certificates of recycling. Simply order, fill, seal and ship with the prepaid shipping label. RECYCLEPAK carries the liability protection you need when managing the risk of improper disposal. **Most importantly, it keeps you in compliance.**
